

Simple and Convenient!

Telekenex Connect-Now is a reliable audio reservationless conferencing service that allows you to be connected to anyone at anytime without hassles. There is no need to make a reservation, and pay only for what you use and nothing more! All you need is the toll free number, your dedicated conference code and PIN number.

Whether you have recurring scheduled meetings or just want to hold an impromptu call, Connect-Now gives you the flexibility to successfully bring everyone together. Connect-Now offers a variety of features to enhance your conference calls, including operator assistance, presentation mode, and blast dial to bring in participants.
